

PSEUDO-DIFFERENTIAL OPERATORS

Organizers:

Shahla Molahajloo Institute for Advanced Studies in Basic Sciences, Iran

Man Wah Wong (contact person) York University, Toronto, Ontario, Canada **e-mail:** mwwong@mathstat.yorku.ca

Aims: This is intended to be a special session in the mathematics of pseudo-differential operators to be interpreted in a very broad sense. Topics include functional analysis, operator theory and operators, harmonic analysis, partial differential equations, applications and computation related to pseudo-differential operators.
